 When creating a new account, you will be required to create an OHJID.

OHJID is a secured web portal designed for Ohioans to access information and conduct business with a variety of state agencies, including Medicaid, all in one place.

Why use OHJID?

In terms of digital identity and cybersecurity, OHJID is Best-of-Breed. It meets all federal and state digital security guidelines and is regularly audited to ensure your data and personal information remain private and secured.

OHJID is powered by the [InnovateOhio Platform](#), a key component of Governor Mike DeWine and Lt. Governor Jon Husted's InnovateOhio vision to improve citizen interactions with the state by making them more dynamic, data-driven, and customer-centered.

Be sure to register your OHJID account with **non-work email address**. Your OHJID account is your personal account and will remain yours, regardless of where you work in the future.
