Integrated Systems and Excellence

OhioRISE (Resilience through Integrated Systems and Excellence) is a specialized managed care program that launches on July 1 for children and youth with complex behavioral health and multisystem needs. To learn about the OhioRISE program and how the OhioRISE program's services may benefit and become accessible to you and your family starting July 1, please see the new [Resources for Members and Families page](#) of the [OhioRISE webpage](#). You will find answers to common questions including:

- Who may benefit from OhioRISE?
