Hello!

Welcome to the *ODM 2022 Periodical*, previously called the *ODM Managed Care*

Procurement Periodical, a short periodic update on the progress of the Ohio Department of Medicaid (ODM) strategic initiatives.

You are receiving this newsletter because you have requested to receive periodic updates about ODM's strategic initiatives, responded to our first Request for Information (RFI), met with ODM and Procurement Team members to provide feedback, or participated in a listening session.

Thank you for taking time to provide your ideas and feedback! Through this time of uncertainty and need for many Ohioans, and into the future, we continue to focus on the individual rather than the business of managed care. We want to do better for the people we serve.

Feel free to share this update with anyone who you think might find it useful. We want all Ohioans to know what is going on with ODM's strategic initiatives.

Please also encourage anyone who you think might be interested in receiving similar updates to send us an email at ODMNextGen@medicaid.ohio.gov.

Annual Managed Care Open Enrollment is Here!

The annual managed care open enrollment period runs now through December 31, 2021. Ohio Medicaid members can explore the managed care plans available through the Ohio Department of Medicaid (ODM) during this time. Ohio Medicaid members do not have to do anything if you want to keep your current Medicaid managed care

plan.

The plans that are available during the annual open enrollment are:

- Buckeye Community Health Plan
- CareSource
- Molina Healthcare
- Paramount Advantage
- UnitedHealthCare Community Plan

Members can explore the managed care plans available through ODM and enroll by visiting www.ohiomh.com or by contacting the Ohio Medicaid Consumer Hotline at (800) 324-8680. Representatives are available 7 a.m. to 8 p.m. Monday through Friday and 8 a.m. to 5 p.m. Saturday. They can provide interpreters and answer member questions about open enrollment.

Additional information will be communicated in spring 2022 regarding how members can explore and select ODM's next generation managed care plans.

To learn more about the annual managed care open enrollment process for 2021, check out the [Ohio Medicaid Consumer Hotline website](#).

Getting Ready for the Next Generation Program: Gathering Updated Member Contact Information

Exciting new changes are coming as part of Ohio Medicaid's next generation of managed care program in 2022! The Ohio Department of Medicaid (ODM) wants to make sure all members receive information about actions they will need to take and information about the program's next generation services, supports, and managed

care plans.

In support of this goal, ODM is encouraging Ohio Medicaid members to update their contact information. When an Ohio Medicaid member updates their contact information, it helps make sure that ODM can reach them to provide important updates about their Ohio Medicaid managed care plan and coverage.

Ohio Medicaid members can update their contact information at any time by contacting their County Department of Job and Family Services (CDJFS). An Ohio Medicaid member can locate their CDJFS by visiting the County Directory at https://jfs.ohio.gov/County/County_Directory.stm.
