# OCTOBER OhioRISE Care Coordination Series Training Events

## Safety & Crisis Planning for Care Coordinators

This training will provide participants a foundational understanding of youth and family crisis cycles, including risk factors, drivers and effective response strategies. Participants will take foundational principles learned and be able to translate this into the development of an appropriate youth and family crisis and safety plan. The session will also help participants understand the Care Coordinators role as well as other child and family team members' role in the crisis and safety planning process.
