Hello!

Welcome to the *ODM 2022 Press*, previously called the *ODM Managed Care Procurement Press*, a short periodic update on the progress of the Ohio Department of Medicaid (ODM) strategic initiatives.

You are receiving this newsletter because you have requested to receive periodic updates about ODM's strategic initiatives, responded to one or both of our Requests for Information (RFIs), met with ODM Team members to provide feedback, or partnered with us in a listening session.

Thank you for taking time to provide your ideas and feedback! Through this time of uncertainty and need for many Ohioans, and into the future, we continue to focus on the individual rather than the business of managed care. We want to do better for the people we serve.

Feel free to distribute the information contained within this update to your colleagues, organization's members, or with anyone who you think might find it useful. We want all Ohioans to know what is going on with ODM's strategic initiatives.

Please also encourage anyone who you think might be interested in receiving similar updates to send us an email at MCProcurement@medicaid.ohio.gov.

The Ohio Medicaid Website has Officially Changed!

Ohio Medicaid's new website reflects the next generation of Medicaid and is designed with you in mind. It is user friendly, organized based on the interests of the communities we work with (people served by Medicaid, providers and health care givers, stakeholders, and partners), and built for mobile devices, smartphones, and desktop viewing.

Visitors will find navigating the new site easier than before! Quick click ads and resource cards highlight content most in demand by users. Use of visual imagery and simple icons strengthen navigation, and top-of-page summaries provide at-a-glance insights into the focus on a section.

We understand that it will take time to get used to a new platform. To ease the transition, helpful tools have been built into the design to help you find the information you want. Search capabilities are more sophisticated, allowing you to narrow results based on topic, section, or keyword. Additionally, an always visible help icon is available at a click.

We look forward to you exploring the new digital face of Medicaid and invite you to take a tour. You can also view the recorded demo [here](#) and get acquainted with the layout and navigation.

If you have recommendations for making the journey even better, we want to hear from you. Send us your comments at ODMWebsiteFeedback@medicaid.ohio.gov and let us know how we can make improvements.
