- [Provider Contracting with Next Generation Managed Care Plans](#)

Hello!

Welcome to the *ODM 2022 Press*, a short periodic update on the progress of the transition to the Ohio Department of Medicaid's (ODM) next generation program.

These updates are focused on you, Ohio Medicaid's providers, and critical information you need to know about the next generation program.

Thank you for taking time to read these updates! Through this time of uncertainty and need for many Ohioans, and into the future, we continue to focus on the individual rather than the business of managed care. We want to do better for the people we serve.

Feel free to distribute the information contained within this update to your colleagues, organization's members, or with anyone who you think might find it useful. We want all Ohioans to know what is going on with ODM's strategic initiatives.

Please also encourage anyone who you think might be interested in receiving similar updates to send us an email at ODMNextGen@medicaid.ohio.gov.

Provider Contracting with Next Generation Managed Care Plans

Ohio Medicaid managed care members will soon begin selecting their next generation managed care plan. During this process, members take various factors into consideration, including continuation of care. To ensure continuation of care, members review which plans include their providers as network providers.

If you intend to contract with any of the next generation managed care plans, please reach out to them directly as soon as possible and share your interest in entering their network contracting process. Please keep in mind that contracting is at the discretion of the plans.

For a list of Ohio Medicaid's next generation plans and contact information, please visit the [Resources for Providers page](#) of [the next generation website](#). If you have any questions, please contact ODMNextGen@medicaid.ohio.gov.
