

MARCH/APRIL 2023 OhioRISE Care Coordination Training Events

MODERATE and INTENSIVE Care Coordination Training

****Intended for OhioRISE Care Management Entity Care Coordinators and their supervisors**

Moderate Care Coordination: 11 CEs available to: Social Workers, Counselors, Psychologists, RNs/LPNs, Chemical Dependency Counselors

This 2-day virtual training is targeted for individuals who will be providing Care Coordination for children and families who enter OhioRISE with moderately defined level of need. Participants will be expected to use and adapt Wraparound principles, processes, and practices to assure families get to the right help in the right way in the right time to produce the right results. Trainees will have a chance to consider how their work with families sets the stage for results.

Intensive Care Coordination: 16.5 CEs available to: Social Work, Counselor, Psychologist, RN/LPN, Peer, Chemical Dependency Counselor (CDCA)

This 3-day virtual training is designed for staff hired to provide Intensive Care Coordination using the Wraparound process. Participants will identify steps for implementing Wraparound including methods for building and maintaining a Child and Family Team. Participants will learn approaches to build a Wraparound Plan of Care that builds on strengths, meets family needs, and increases community connections. Participants will learn steps for managing Teams and Plans until outcomes are reached.

SAFETY & CRISIS PLANNING for Care Coordinators Training

5.5 CEs available to: Social workers, Counselors and Psychologists

This training will provide participants with a foundation understanding of youth and family crisis cycles, including risk factors, drivers and effective response strategies. Participants will take foundational principles learned and be able to translate this into the development of an appropriate youth and family crisis and safety plan. The session will focus on identifying and clarifying the Care Coordinators role, as well as other multi-disciplinary child and family team members' role in the crisis and safety planning process.

MARCH/APRIL 2023 OhioRISE Care Coordination Training Events

SYSTEM OF CARE CASE APPLIED LEARNING (SoCAL) COMMUNITY

*Only for professionals working for OhioRISE as a CME, CME Sub-contractor, or the Aetna Health Plan.
Registration required.*

SoCAL is a consultation-based learning community specifically designed for Care Coordination teams to bridge the gap between learned principles of practice and what those principles look like IN ACTION. Presenting CMEs should register for at least the session that they are the presenter (but participation in all of the sessions is encouraged) Non-presenting CME Care Coordinators and supervisors can register for any of the sessions.

March 2nd March 16 th	9:30am-11:00am	Heather Distin	https://cwru.zoom.us/meeting/register/tJwtc-irrzwjE9S9DCvDXHx0j9AslLFqfXsc
