

## Ohio's Current System for Kids with Multi-System Needs

Over 40% of kids over age 15 in the child welfare system are in congregate care

140 kids per day are receiving care out of state - a 200% increase in kids per year compared to 2016

38% of Youth with Multi-System Needs have individuals in their families with a history of OUD, SUD, and/or SED primary diagnosis

What The Evidence Tells Ohio

*Kids with the most complex multi-system needs require a very different type of care coordination.*

# OhioRISE

Resilience through Integrated Systems and Excellence

A specialized managed care organization (MCO) with expertise in providing services for the most complex multi-system youth

### Specialized MCO

ODM will procure a special type of MCO – a prepaid inpatient health plan (PIHP) – to ensure financial incentives and risks are in place to drive appropriate use of high quality behavioral health services.

### Shared Governance

OhioRISE features multi-agency governance to drive toward improving cross-system outcomes – we all serve many of the same kids and families.

### Coordinated and Integrated Care & Services

OhioRISE brings together local entities, schools, providers, health plans, & families as a part of our approach for improving care for enrolled youth.

### Prevent Custody Relinquishment

OhioRISE will utilize a new 1915c waiver to target the most in need and vulnerable families and children to prevent custody relinquishment.
