### LMS registration

In preparation for the December 1 launch, we are offering a variety of training options including self-paced, virtual, and in-person training options. Absorb, the LMS, is where you will access the self-paced training and sign up for the virtual and/or in-person sessions. If you do not have an account in the LMS, it's important that you create one to ensure you have access to all training sessions, answer forms, and a variety of PNM resources. [Access the Job Aid](#) and follow the steps to create your account and register for training.
