Hello!

Welcome to the *ODM Managed Care Procurement Periodical*, a short periodic update on the progress of the Ohio Department of Medicaid (ODM) Managed Care Procurement.

You are receiving this newsletter because you have requested to receive periodic updates about the Managed Care Procurement, responded to our first Request for Information (RFI), met with ODM and Procurement Team members to provide feedback, or participated in a listening session.

Thank you for taking me to provide your ideas and feedback! Your participation is a key part of our mission to focus on the individual rather than the business of managed care. We want to do better for the people we serve.

Feel free to share this update with anyone who you think might find it useful. We want all Ohioans to know what is going on with the ODM Managed Care Procurement.

Please also encourage anyone who you think might be interested in receiving similar updates to send us an email at the Medicaid managed care procurement mailbox, MCProcurement@medicaid.ohio.gov.

Requests for Informaon (RFIs) Closing on T uesday, March 3, 2020

On Tuesday, March 3, 2020 at 4:00 p.m. EST, the response period for the ODM Managed Care Procurement Request for Information (RFI) #1 will close. This first RFI is an opportunity for individuals who receive services through Medicaid managed care, providers, and advocates to share their thoughts, suggestions and feedback on the current program and contribute to the development of a reimagined statewide managed care program.

To share your feedback and suggestions prior to the submission deadline, email MCProcurement@medicaid.ohio.gov or visit the RFI #1 page on managedcare.medicaid.ohio.gov for details on how to submit your response.

Additionally, RFI #2 - targeted toward providers, associations, advocacy groups, data and information technology vendors, and managed care organizations - will also close on Tuesday, March 3, 2020 at 4:00 p.m. EST. Additional information about RFI #2 can be found on the Request for Proposal page on medicaid.ohio.gov.

Even after the closure of the RFIs, the Managed Care Procurement mailbox - MCProcurement@medicaid.ohio.gov - will remain open as a way for individuals, providers, and advocates to communicate with ODM about the current Medicaid managed care program.

What's Next: Managed Care Procurement Future Phases

In the upcoming months, the ODM Managed Care Procurement will enter its third phase, resulting in the release of a request for applications (RFA) from all potential vendors.

Ohio Medicaid Managed Care Procurement Phases

Throughout this process, the Managed Care Procurement website, located at managedcare.medicaid.ohio.gov, will continue to be a resource for periodic updates on the procurement and the reimagined Medicaid managed care program.
