Hello!

Welcome to the *ODM 2022 Periodical*, previously called the *ODM Managed Care Procurement Periodical*, a short periodic update on the progress of the Ohio Department of Medicaid (ODM) strategic initiatives.

You are receiving this newsletter because you have requested to receive periodic updates about ODM's strategic initiatives, responded to our first Request for Information (RFI), met with ODM and Procurement Team members to provide feedback, or participated in a listening session.

Thank you for taking time to provide your ideas and feedback! Through this time of uncertainty and need for many Ohioans, and into the future, we continue to focus on the individual rather than the business of managed care. We want to do better for the people we serve.

Feel free to share this update with anyone who you think might find it useful. We want all Ohioans to know what is going on with ODM's strategic initiatives.

Please also encourage anyone who you think might be interested in receiving similar updates to send us an email at ODMNextGen@medicaid.ohio.gov.

Annual Managed Care Open Enrollment Update

As part of the annual managed care open enrollment, the Ohio Department of Medicaid (ODM) recently began sending out member enrollment letters and launched a CallFire campaign to notify members of their opportunity to explore the managed care plans available through ODM.

Members can change their plan between now and the end of December by visiting

www.ohiomh.com or by contacting the Ohio Medicaid Consumer Hotline at (800) 324-8680. Representatives are available 7 a.m. to 8 p.m. Monday through Friday and 8 a.m. to 5 p.m. Saturday. They can provide interpreters and help answer questions.

The annual managed care open enrollment includes ODM's current managed care plans. Additional information will be communicated in spring 2022 regarding how members can explore and select a plan from ODM's next generation managed care plans.
